All about City League Tennis

City League is an organization of 20 different tennis facilities from around the greater Portland area with more than 1,750 players.

The tennis league provides an opportunity for women to enjoy competitive tennis, share lunch; meet other players and have some sporting fun.

Lake Oswego has a total of eight City League teams. Currently, the teams range from the advanced B division to the J division for newer players. Alphabetical designations simply show variations in skill levels, roughly corresponding to beginner, intermediate and advanced.
