

LAKE OSWEGO TENNIS CENTER
NOTIFICATION OF PLAYER REMOVED FROM ROSTER

In an effort to keep a record of why players are removed from the roster mid-season, captains should fill out this form and turn into the LOTC front desk.

1. Date of Request: _____
2. Captain's Name: _____
3. Team Level : _____
4. Player's Name: _____
5. Reason for leaving

6. Does this player intend to return to LOTC City League? If so, when?

A player who is removed from a team roster may return to City League tennis by submitting a Lake Oswego Tennis Center City League Sign Up Form. This person will be considered a priority player for team placement consideration. However, this doesn't guarantee the returning player a spot on the same team.
