

Board Meeting Minutes 4/10
LOTG 9-10:30am

Attending: April Razey, Kiki Hanover, Lisa Kearns, Cindy Dorado, Jenn Vaghefi, Carilyn Alexander

We welcomed our interim Captain's rep Carilyn Alexander

Considerations for adding a team or two for GPCL

- April and Kiki met with the captains to see how the season has been going and how players are feeling.
- April and Kiki met with Amy to discuss how players and teams are doing
- 1-C, 1-G of 2, 1-H, 2-J of 3, 1-S of 3 have been requested thus far from GPCL
 - If we were to request a higher team level but G wins, then we would need to give the team back as we can only have 4 higher teams per GPCL rules (as this requires court availability on Tuesday for lower division teams and Wednesdays for higher division teams)

The board voted to request both an E team and a J team from GPCL

The board voted to host a mixer for E and F teams to meet and greet possible PAC players and vet them for possible placement on their teams.

The board voted to update the process by which player placement recommendations are filled out and handled

The board voted to expand the review committee pending a vote by the rules committee
