

LOTB Board Meeting – Monday, April 27, 2026

Attendees: Kiki Hanover, Kelly Buhlmann, Brooke Moffenbeier, Cindy Dorado, Barb Hart (arrived late)

1. Discussed the new practice schedule for the Fall – Hannah has approved all practices times. Amy will be coaching the D team, F Team White and the K team. The rest of the teams will be using Cait. Kiki will contact Cait to finalize her rate.
2. Each team is responsible for their own summer practice schedules and communicating with Hannah.
3. Jenn Vaghefi, our recording secretary and website coordinator, is unable to stay on the board due to medical reasons. The board discussed replacing Jenn, however, the board feels that bringing someone in this late would not be beneficial. Kiki can take over making changes to the website and Brooke and Cindy will help with the minutes.
4. The board discussed open board positions next year: Vice President, Resolutions/Stats, Recording Secretary/Website Coordinator and Captains rep (from a team I-K, voted on by the captains). Kiki will send out an email to all LOTB players after the review meeting in mid-June to see if there is any interest in joining the board. Kiki and Kelly (in-coming President) will work together to get the slate together and the board will vote.
5. Kiki shared her conversations with captains regarding player placement forms. She shared who was returning, which players are leaving and which players would like to be considered for movement next year.
6. The board discussed the 50% rule and the need to clarify as players have different interpretations of the rule. It is important to make sure everyone is on the same page. The board will work on clarifying the rule and send it to the rules committee for review.
7. The board briefly discussed how many people each team should have next year based on player participation forms. A few players that were originally leaving have decided to return. The board decided to table the discussion until the next board meeting.
8. Kiki will work with Robyn to set up a Captains meeting in May to discuss the end of the year review meeting on June 1st and what Captains need to do to prepare. The board will also send out a note to players so everyone is on the same page on how it works and what movement might look like this year.

The next board meeting is May 11th at 8:45am. The review meeting is June 1st at 9am.
